

The map illustrates the proposed B28 bus line route in Brno. The route is highlighted in yellow and red, starting from the city center and extending towards the airport. Key stops and landmarks are marked, including the city center, the airport, and various residential areas. The map also shows the city's infrastructure, including roads, rivers, and public facilities. The route is labeled with 'B28' and 'MIMO BUS' at several points. The map includes a legend and a scale bar.
